Consulting Engineers

Structural Engineer Employment Opportunity December 2019 Graduates

Job Description: Entry Level Structural Engineer

Experience: 0 to 3 years in structural design

Education: Bachelors or Masters Degree

Location: Cleveland, OH

Firm Description:

B&H is a mid-size regional consulting firm serving the east coast and mid-west areas for over 85 years. We specialize in the design of institutional and commercial facilities. Our projects are diverse and encompass several markets including healthcare, education and institutional as well as commercial.

B&H is a friendly firm with opportunities for personal and professional growth. We offer benefit packages that include health care, vision, life, short and long term disability and a 401k plan.

B&H is a stable firm with a diverse portfolio and a proven track record of steady growth. We believe in advancing our engineers' careers by offering reimbursement for continuing education credits.

Currently, B&H is accepting resumes from interested candidates for the Cleveland Ohio office. For additional information about the firm and our work, please visit our website or contact James Pospisil at 724-741-0848.
