Sponsored by:

The primary focus of this two-day conference is on pre-engineering education, activities, and resources for the K-12 teacher. The conference is intended for teachers who are interested in implementing pre-engineering and hands-on activities in their classroom. The conference will be co-facilitated by presenters who are experienced with pre-engineering projects, as well as working with colleagues from higher education.

**Conference attendees will:**

- Participate in break-out sessions led by Joe Marencik, Scott Kutz, Lynn Marencik, Bob Claymier and Sandy Vontroba as well as other new presenters.
- Receive new hands-on and project-based lessons and activities for K-6 and 7-12 grade levels.
- Receive a binder and CD containing these lessons and additional information.

Conference participants will also be eligible for 1 CEU, a teacher stipend, and a Project Stipend to directly enhance pre-engineering instruction in their classrooms. Lunch will be provided each day. **Conference space is limited.**

**Registration deadline for the conference is Friday, May 18, 2012.**

A \$25 refundable deposit is due, along with completion of either the attached registration form or online registration form at (<http://www.surveymonkey.com/s/66G5VDQ>).

Checks should be made payable to "Cleveland State University" and mailed to the address on either registration form. **Registration will be confirmed via email upon receipt of \$25 check and registration form.** Participants who complete the conference will have their checks returned. **Attendance is required for both days to receive any stipends.**
