

HELP WANTED

Covered Bridges—Infrastructure—Commercial Buildings

Business is good.

We have an immediate opening for an entry-level, full-time, design engineer.

Our preference is to hire a CSU civil engineering graduate.

Internship opportunities are available.

We offer:

- Competitive salary
- Full-benefits
- Flexible work hours with no weekends
- Paid holidays
- Priceless training under John Smolen, ensuring a clear path to P.E. licensure
- No local income tax
- Free parking
- Bucolic work setting in Jefferson, Ohio
- Cat-friendly office
- An opportunity to design iconic covered bridges and more...

Submit a resume to Kevin Grippi at Kgrippi@smolen.com

440-576-0505 ext. 511 or 440-812-4032
