

Interns or Coops

We are a Construction Manager and General Contractor and we are looking for students to work from our offices throughout the school year and summer as well. Duties include takeoff of documents with software, Revit & Navis Works document review, interacting subcontractors, suppliers, owners, and architects on project details, and generate schedules. Other office duties related to construction activities.

We typically employ 2-4 interns some work here at our offices others work in job trailers on jobsites. Our office is located at Payne and E25th street adjacent to the CSU campus. If you know of anyone looking for full time or part time employment while they are completing their degree please let us know.

Thank you,

Larry Lacure
