

Petition for Readmission

Students previously dismissed/suspended* from Cleveland State University and wish to return to study in the Washkewicz College of Engineering must submit a Petition for Readmission. Petitioning for readmission requires meeting with an academic advisor. *Students who were previously dismissed/suspended and wish to return to study in another academic area must petition for readmission through the college in which they intend to study (or through University Studies if undecided in major).*

Required for Petition:

- Completed Petition for Readmission form
- Completed Academic Success Contract
- **Typed** statement from the petitioner describing current academic goals and a plan for returning to good academic standing. Readmission narratives should outline any educational activities pursued since being dismissed/suspended from Cleveland State University (i.e. attendance at a community college, etc.) and/or any changes in life circumstances that will positively affect their studies (i.e. cutting back work hours, etc.). *See Sample.*
- Meet with your academic advisor to discuss your readiness to return and to develop an academic plan (advisor will supply a memo to accompany your petition)
- Unofficial transcripts from all institutions attended since dismissal/suspension, if applicable (upon readmission students **MUST** submit official transcripts to the Office of University Registrar). *If you have courses in progress, you should wait until grades are posted to petition for readmission.*

**Prior to Fall 2013, students were subject to "Academic Dismissal" from Cleveland State University. Beginning Fall 2013, the terminology was changed to "Academic Suspension". This petition is applicable to students who were dismissed prior to Fall 2013, as well as those who were suspended Fall 2013 or after.*
