Student Center Ballroom

SENIOR DESIGN

# Program of Events

5:00 p.m. - 7:00 p.m. .... Poster Session & Reception  
7:00 p.m. - 8:00 p.m. .... Program

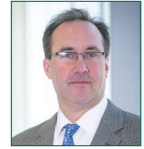

## REMARKS

Dr. Richard T. Schoephoerster  
Dean and Professor  
Washkewicz College of Engineering

## PRESENTER

Dr. Michael L. Adams  
Senior Design Program Director  
Chair and Associate Professor, Engineering Technology  
Washkewicz College of Engineering

## ABOUT OUR PROGRAM

Senior Design is the culmination of engineering education at Cleveland State University's Washkewicz College of Engineering. This capstone course sequence gives students the opportunity to incorporate engineering principles learned throughout their academic careers into one final project.

Industrial and external institutional involvement is the key to the success of our senior design program. More importantly, it is the key to the ultimate success of our graduates in tomorrow's engineering workforce.

## THANK YOU TO OUR SPONSORS

ABEDA Group  
Akron Children's Hospital  
C&W Grinding  
Cleveland State University - Global  
Dominion Energy Ohio  
FirstEnergy Corp.  
Great Lakes Cheese
